

School Year 2021-2022: Back to School Night @ LJMS

Family and Consumer Sciences

Welcome and Introductions

Mrs. Mathur
Family and Consumer Sc.

A little about Mrs. Mathur:

- ❑ Fifth year teaching Family and Consumer Sciences at Luther Jackson.
- ❑ Masters degree-Family and Consumer Sciences.
- ❑ Married with two boys.
- ❑ Overarching course goal: To teach real-life skills to my students to prepare them for life.

Family and Consumer Sciences (FCS) Curriculum

The following units will be covered in the semester long class:

- Workplace readiness skills
- Human Development
- Interpersonal Relationships
- Family Relationships
- Living Environments
- Nutrition and Wellness
- Consumer and Family Resources
- Textile and Apparel Concepts
- Early Childhood Concepts -
-

This is a life-skills class and all of the Portrait of a Graduate skills are employed in the project based curriculum throughout.

The class also focuses on Social emotional learning through various team-building activities, through collaboration on projects and through our curriculum on topics such as human development and interpersonal relationships.

Class and Assignment Information for FCS

- ❑ What might a “typical” class look like?

Warm up	Mini lesson	Activity	Reflection
---------	-------------	----------	------------

- ❑ Students will be using Pear Deck, Kahoot, Padlet, Google draw.
- ❑ What are some examples of classwork?
Classwork could include: Warm up, polls, research, creating presentations, sewing, cooking, kahoots etc.

Homework Information for FCS

- ❑ What might asynchronous work look like for this class?
Asynchronous work will be in the form of a google slide or google form with links for students to explore and complete. This will be assigned in Schoology.
- ❑ How will students access asynchronous work?
Students will access asynchronous work through their Schoology course.
- ❑ How will students turn in asynchronous work?
Students will turn in asynchronous work also through Schoology.

Assessments and Grading Policies for FCS

- ❑ What do assessment and grading practices look like for this course?

Family and Consumer sciences is a project-based learning course. Hence, assessments are based on projects assigned in each unit. Students are assessed on their classwork, participation and effort and on projects they do in each unit of study.

Assessment platforms:

Pear Deck, Padlet, Kahoot, Horizon, Assignments in Schoology.

Communication Protocols

❑ Progress Reports

- ❑ Progress reports will be emailed home every 2-3 weeks. If students notice a discrepancy in their progress report, please email your teacher immediately.

❑ Feedback

- ❑ Any written feedback for assignments can be viewed in the Schoology Assignment.

❑ Email

- ❑ If a question arises and you need to email your teacher, a response will be communicated with you within 24-48 hours. If an email is sent Friday afternoon, you can expect a response from your teacher at the end of the next available school day.
